Subject: Juneau Road

This email is in support of the Road Out of Juneau. The State Transportation Improvement Plan should definitely include the Juneau to Skagway road. All the major cities in Alaska including Anchorage and Fairbanks as well as Haines and Skagway have road access. Juneau should be on that list .

It appears that the residents of those cities that oppose the road out of Juneau are taking the position that "I've got mine so screw you".

I do not understand why the current administration is dragging it's feet on this issue. The Juneau population voted 60% in favor of a road connection out of Juneau.

Sincerely, Fred Koken, Juneau Resident
